- 1, 把雀鳥紙樣的頭向下摺到約尾巴中間位置。
- 2, 把雀鳥紙樣左右對摺，再打開，中間會有一條垂直的摺痕。
- 3, 打開紙樣其中一邊的翅膀，把中間的摺痕向內摺，另一邊如是。
- 4, 把雀鳥紙樣打開，就可以做到雀鳥展翅飛翔的效果了！

- 1, Fold the head of the bird template down towards middle of the tail.
- 2, Fold the bird template in half from left to right. Open it again and you will see a crease in the middle.
- 3, Squash fold one of the wings down and match the crease in the center. Do the same for the other side.
- 4, Open the bird from the head and you'll see the bird spreading it's wings!
