## **Relevant Knowledge & Concept**

本院幼兒活動緊貼課程的主題及相關學習概念,讓教師能適切地選擇合乎學生的學習內容。與此同時,本院不斷推動社會、甚至地球的可持續發展,多元化的活動主題亦配合了聯合國提出的一系列可持續發展目標,包括永久保護地球及其自然資源,冀望學生從中了解可持續發展的重要性,在促進經濟繁榮的同時,共同為保護地球而努力。

The kindergarten programmes provided by OPAHK are closely related to the themes and knowledge of the school curriculum so teachers can choose the content that meets the students' cognitive level. OPAHK continues to promote the sustainable development of society and the earth. The diverse themes of the programmes match the sustainable development goals proposed by the United Nations, including protect and ensure the lasting of natural resources. Our goal is to let students understand the importance of sustainable development and work together to promote economic prosperity while protecting the planet.
